

20-YEAR ANNIVERSARY CELEBRATION

## SMP Tech, Inc. Invites you to Our 20-Year Anniversary Appreciation Celebration

**3:00 PM, Tom Roberts (SMP Tech)** will discuss sustainability in the design of green products including end-of-life considerations and reliability. His presentation will include information on trends in Cleantech Industries and green product design.

**3:30 PM, Howard R. Mullin (Control Plastics)** will discuss what you need to know to design and procure plastic molded parts that work. He will discuss design compromises as well as the most common problems associated with the design, use of 3-D data bases, control drawings, tooling and manufacture of injection molded plastic parts.

**4:15 PM, Rolfe Anderson PhD (Trillium Precision Surgical)** will speak on miniaturization in medical and biotech products. His presentation will spotlight the dynamic revolution created by progress in device integration and technologies for diagnostics, medical research, and medical devices. This talk will include a look at drug delivery devices, laboratories on a chip, MEMS, and surgical systems.

**5:00 PM, SMP** invites you to join us for our 20-year anniversary celebration from 5:00 pm to 7:00 pm in the Adobe Lodge. The festivities will include complimentary cocktails, appetizers, desserts and door prizes.

Join us for SMP Tech's 20-Year Anniversary Appreciation Celebration at the historic Adobe Lodge in the Santa Clara Mission Gardens. Cocktails and Hors d'oeuvres will be served from 5 PM to 7 PM. CleanTech, Plastic Injection Molding and Miniaturization in BioTech Product Design presentations will be held in the Nobili Room from 3 PM to 5 PM.
